Resident Doctors of Canada represents over 10,000 resident doctors across Canada.
- 25% in CFPC programs
- 75% in Royal College programs

We work at the national level with a united voice for resident doctors to:

- Drive excellence in medical education
- Represent your interests at over 90 national committees
- Improve resident resilience and wellness
- Lead and inform national discussions and influence decision making

Focusing on areas such as:

- Curriculum Development
- Accreditation
- Certification
- Licensure
- Examination Policy
