

Resident Doctors of Canada: A Primer

Resident Doctors of
Canada represents over
10,000 resident doctors
across Canada.

≈ 25% in CFPC programs

≈ 75% in Royal College programs

We work at the national level with a united voice
for resident doctors to:

Drive excellence
in medical
education

Represent your
interests at over
80 national
committees

Help residents be their
optimal selves by
focusing on resident
well-being initiatives
and advocating for
systemic change

Lead and inform
national discussions
and influence
decision making

Focusing on areas such as:

Curriculum
Development

Accreditation

Certification

Licensure

Examination
Policy
